Greetings to Faculty and Students:

On the pages of this, the fortieth volume of *The Alki*, will be found the record of our school's disappointments and triumphs for 1947-48. To the Seniors it is a record of the last happy year spent in high school, while to the Juniors and Sophomores it is an incentive to leave an even better record than the Class of 1948. With eleven hundred working together there are very few things that we can not accomplish. *The Alki* staff are to be congratulated upon the splendid book that they have created for 1948.

To the Seniors I wish the best of success in their future work, whether it be in college or in some other field of endeavor.

To all I extend the greetings of Vancouver High School.

As the highest executive body of the school, the Student Council deals with the problems of the school as a whole and with those of the organizations represented within the council. In conjunction with the Shumway Council they also have jurisdiction over the Trapedero Teen-Age Club.

Among the amendments to the by-laws are the approval of awards in Band and a Cappella Choir and the inauguration of major awards in tennis. New to the council line-up is the appointive office of Junior Red Cross Chairman.

Throughout the year the Council approved the adoption of the Viktoria Luise school in Germany and sponsored various national and civic drives within the school.

Girls' League

Miss Dorothea von Berg, *Dean of Girls*

This year's program was planned to include every girl in its functions. To make each new girl feel a part of the school, the activities began with a Big Sister orientation program and a costume Mix.

The money raising projects included selling cokes and programs at football games. Half of the proceeds from a fudge sale went to the Student Body's adopted school in Germany.

The installation of officers was changed from the traditional candlelight ceremony to one using flowers to symbolize the Girls' League ideals.

Assemblies held once a month presented interesting speakers as well as programs put on by the Girls' Athletic Association and Senior girls.

Carrying out a Gay Nineties theme, the annual Tolo dance highlighted the social events of the year.

The Girls' League had an active part in the Southwest Washington spring and fall conferences held in Camas and Longview, for which Sue Wondrak served as secretary.

The Girls' League was represented at the Leaders' Conference at the University of Washington.

Boys' League

Mr. W. H. Conover, *Adviser*

This year the Boys' League had a full calendar of activities. Among the many projects carried out were the inauguration of an annual "Dress-Up Day" and the collection of canned foods for overseas relief.

Leading the list of social events was the White Christmas Ball, December 12, 1947, co-sponsored by the Boys' League and the Triads. It featured a "Mr. and Miss Who" contest. Both the winners and the mystery couple were presented that evening.

Throughout the year various types of programs were given for the boys. They usually were presented by interesting persons who told of their vocations and experiences.

A successful year was brought to a close by a party at the Trapedero in honor of the Girls' League Cabinet.

Opening the season in the Football Jamboree, the Trappers walked off with a 20-0 win. In the first league game, Vancouver dropped a 20-13 game to Longview. At home next against Aberdeen the Red and White smashed to their first conference win by 6-0.

Going into the last quarter trailing 7-6, the Lincoln Abes rose up to smack the Trappers by a 25-7 count in the non-league game played at Tacoma. On a wet and sloppy field the Olympia Bears invaded Trapperville to suffer a 6-0 loss. In their fourth League game the Trappers met defeat against the powerful Centralia Tigers. Against Hoquiam the Trappers opened with a bang, scoring their first touchdown on a pass, but Hoquiam came back fast and scored two touchdowns to win the game, 14-6. At home against the Kelso Highlanders Vancouver dropped a 13-0 contest as the Trappers were held scoreless for the first time all season.

Playing their best ball game of the year, the Trappers walked all over the Everett Seagulls on a sea of mud to the tune of 18-0.

Against Camas in the Trappers' final game, Camas walked off with a well earned 26-7 victory.

Basketball

Marshall Shields, *Coach*

With only three returning lettermen the Trappers went into the title race anything but a favorite. Being riddled by graduation, the team lost four of its starting five players of last year's second place State Tournament team.

The Trappers' initial contest found them facing the always powerful Kelso Highlanders, whom they defeated 61 to 44. The pre-season favorite, the Lumberjacks, provided Vancouver with their next opponent and were also beaten, 40 to 36. Meadows was handily defeated 51 to 32. The Trappers' winning streak halted at Camas with a 40 to 36 loss. Still in a slump, they dropped a close 40 to 39 contest to the Battle Ground Tigers. Back in winning form, the Trappers swept their next two games, defeating Chelalis 59 to 44, and Kelso 42 to 35.

Perhaps the most controversial game of the season was played at Longview where the Trappers were nudged by the Lumberjacks in the last 15 seconds of play, 45 to 44. Meadows provided stiff resistance for three quarters before bowing to the Trappers 49 to 38. Avenging their first round loss, Vancouver walloped Camas by a 64 to 37 count. The Trappers were beaten by a red hot Battle Ground quintet 59 to 36 in the Tiger gym. In climaxing the season the Trappers treked to Chehalis to hand the Bearcats a 45 to 36 licking.

Highlighting the season was the breaking of the S.W.W. scoring record by Frank Guisness. Guisness surpassed the old record of 184 points with a total of 233 points.

The Trappers were represented on the All-Conference team with the selections of Guisness to the first squad and Larry Smith to the second team.

Track

March 26, Roosevelt, Portland. Vancouver, Roosevelt, and Grant all tied with 24 points each for the first place in the opening track meet. Vancouver won the mile and two mile relay races, finished second in the 440, 880, high jump, and broad jump relays. Ron DeClark, broad jump, 19′ 11¾″; Bob Taylor, high jump, 5′ 8″.

April 2, Here. Vancouver, 92½ points; Battle Ground, 25½ points; State School, 17; Meadows, 5. Raw, cold weather kept marks at a minimum, but several of the competitors turned in creditable performances. Louis Prediletto, 440, 55.4; Eugene Perry, 100 yard dash, 10.5 and the 220, 24.2; Larry Smith, shot put, 45′ 5″; Carl Hancuff, high and low hurdles. Relay: Parsons, Hancuff, DeClark, Prediletto, 1.38.9.

April 2, Hill Military. Only one team was entered this year from Vancouver. The Trappers' distance medley quartet, Bob Buker, Chuck Wilson, Don Bleth, and Fred Dorsett, finished third in the class "A" division.

April 9, Here. Vancouver, 55; Milwaukie, 42; Kelso, 18. All-around strength brought V.H.S. thinclads their third straight win. Carl Hancuff won both hurdle races, 70 yard high in 11.0, 126 yard low hurdles, 15.0; Eugene Perry, 100 yard dash, 10.6. Vancouver won the 880 relay in the good time of 1.37.2.

April 15, Jefferson, Portland. Vancouver, 58; Jefferson, 54; Benson, 18. Missing several members of the squad, the Trappers protected their unbeaten track record by a narrow margin of four points. Bad weather again hampered the thinclads. Vern Perry, mile, 4.50; Bob Barnett, 440, 54.9; Ron DeClark, 200 low hurdles, 25.2; Louie Prediletto, 220, 24.1; Bob Buker, 880, 2.10. In the fastest time yet in the 880 relay for the Trappers, Barnett, Berger, Parsons and Prediletto turned in a 1.37.1 race.

April 17, Centralia Relays. Lady Luck was with the Trappers at the Centralia Relays, as they came out victorious by one-third of a point over a field of twenty-two other teams. Tallying 14 points in the last two events, they edged Renton 28⅓ to 28. Eugene Perry won the Junior 100 yard dash in 10.6. The shuttle hurdle relay team of Prater, Hamman, DeClark, Hancuff, were the only blue ribbon winners. The all-around strength to pick up seconds and thirds proved the margin.

April 20, Here. Vancouver, 76½; Longview, 41½; Battle Ground, 19. Vancouver posted its fifth straight win. Highlight of the meet was the 1.35.7 turned in by the Trapper relay

team. First place winners were Carl Hancuff, both hurdles; Eugene Perry, 100 yard dash; Louie Prediletto, 440; Ron DeClark, broad jump; and Larry Smith, shot put.

April 23, Jefferson, Portland. Vancouver, 47; Jefferson, 47½; Benson, 35½. The Trappers lost their first meet by a half point in a return engagement with Jefferson and Benson. Eugene Perry won the 220; Larry Smith, the shot put; George Stecher, the pole vault. The Trappers missed the support of several members of the squad who were unable to participate.

April 30, Roosevelt, Portland. Roosevelt, 57; Grant, 29½; Vancouver, 35½. Leaving most of the distance men at home for the Longview Relays, the Trappers fell before a strong Roosevelt squad. The only firsts salvaged by Vancouver were the 440 yard dash and the 880 relay.

May 1, Longview Relays. Vancouver overpowered a field of seven teams by gaining 75½ points. Longview was the nearest to the Trappers with 44½; Centralia, 35; Puyallup, 27; Chehalis, 23; Kelso, 5; Forest Grove, Oregon, 3; Battle Ground, 1. It was the sixth win for Vancouver in the nine years of the relays. The Trappers won the mile relay and the junior 100; 440 relay; 2 mile relay; 880 relay; placed fourth in the senior 100.

May 8, Here. Sub District. Vancouver, 65½; Longview 27; Battle Ground, 15⅔; Washougal, 11; Kelso, 10; State Deaf School, 7; Meadows, 4½; Evergreen, 3⅓. Tennis

Mr. John Wood, *Coach*

The Trappers had their best tennis team since the war this year. As of April 29 they had won three matches with no defeats. Victims of the Trapper attack were Jefferson of Portland, Cathlamet and McMinnville.

Big guns of the team were Bill Hoy, Dick Laws, Bob Cheek, Ed Osborn, Don Whitenack, John Liming and Chuck Harris. Leading contenders for vacant berths left by Liming, Laws and Osborn, seniors, were Mark Hardie, Jim George and Bud Aiken, Juniors.

Along with having a successful season the Trapper net squad obtained from the Student Council major letter awards for tennis. After careful consideration the Council decided that five major letters could be granted each year to the five students playing the most matches in one of the first five positions.

The Vancouver High School band is well known throughout Southwest Washington for being a fine marching and concert band. This year, as in the past years, they received a "Superior" rating in the District Music meet of Southwest Washington. During the school year they have made various appearances in civic and school functions. This year for the first time the Band appeared in the Vodvil. They presented a series of comic acts built around a "guess" conductor. In the fall and spring they gave their annual music concerts.

The Student Council voted that awards be given to the Band members in acknowledgement of their service. A letter is awarded every year to the students who have satisfactorily obtained their Band credit. Members are eligible to buy Band pins for two years' service and may have a guard added for three years' service.

Every year the Portland Rose Festival Association has asked the band to enter their Rose Parade. The Band was also asked to give a performance in the Multnomah stadium for the 1948 Rose Festival.

Printers

Mr. David G. Miller, Mr. E. E. Clausen, *Advisers*

Few high schools actually print their own yearbook but at Vancouver High School *The Alki* is truly a product of the students. As the copy is furnished by the editorial staff, student linotypemen set it up on modern linotypes. Student hand compositors set the special headlines and then arrange the type and engravings into pages according to a prearranged "dummy." The pages are then printed on a modern high-speed automatic press, tended by student pressmen. After being printed, the sheets are folded on a latest-type folder purchased recently by *The Alki* and the *Columbia Log*.

In addition to this biggest-of-all projects undertaken by the students, they also print a yearbook for the Meadows High School and each week publish a newspaper for Vancouver High, Meadows High, Shumway Junior High, or McLoughlin Junior High Schools, as well as producing literally tons of printed matter each year for the Vancouver School District.

Students doing all of this printing are directed by Mr. David Miller, head of the department, and Mr. E. E. Clausen, assistant.
